## WHO SHOWS AT IABCA SHOWS?

Approximately 75% of the dogs are AKC recognized breeds, with many of the dogs already champions of record. The majority of the dogs at our shows are breeder/owner handled. We also see many rare breeds each weekend, often including specialties.

## Why show at IABCA conformation shows? What makes The International Dog Shows different?

- All Dogs receive **WRITTEN CRITIQUES** from top American, Canadian, and other foreign judges. Have you ever wondered what the judge was thinking in the ring? Now you can know.
- We strive for a relaxed, friendly, and flexible atmosphere. We get a lot of new exhibitors and they have a great time learning at our shows, getting advice and asking questions from our judges.
- We bring International to you. Judges from USA, Canada, Australia, England, and all over the world are brought in to our shows. Many of our American judges have judged all over the world and bring that international experience to our shows.
- Dogs can earn International IABCA Titles with judges licensed from multiple countries (USA, Canada, Argentina, Serbia, Columbia, Sweden, Australia, Germany, and more).
- Dogs are judged individually against the breed standard for their title points, not against other dogs (dogs can earn titles even if they are the only dog in the show of their breed).
- A two or three judge panel judges each Best in Show category.
- And much more...
